

The background of the poster is a high-resolution satellite image of Earth at night. The image shows the illuminated city lights of continents like North America, South America, Europe, and Africa against the dark blue and black oceans. The lights are concentrated in urban areas, creating a network of glowing points and lines. The overall atmosphere is futuristic and global.

A map of Seoul's central business district, showing the Cheonggye Stream area. Key landmarks labeled include '종로점' (Jongno Branch) on the left, '청계천' (Cheonggye Stream) running through the center, '평화시장' (Peace Market), '한책방거리' (One Bookstore Street), and '동대문' (Dongdaemun) on the right. The map also shows 'Chunggye 67' and 'Saegyero' in English.

주소 : 서울특별시 종로구 을지로 23
지하철 : 2, 4, 5호선 동대문역사문

국립중앙
도서관

An aerial photograph of Seoul, South Korea, showing the city's urban layout. A green arrow points west along the 2nd Ring Road (2호선), which is a major highway encircling the city. A red arrow points north along the 14th Ring Road (14호선), another ring road. The image includes various other roads, green spaces, and buildings.

12

An aerial photograph of a city street showing various buildings, roads, and a prominent green banner. The banner features the text "롯데FITIN" in white, along with a shopping bag icon and other smaller text. The background shows a mix of urban infrastructure and greenery.

An aerial photograph showing a dense residential area with numerous houses featuring green roofs. A paved road or driveway cuts through the center of the image. The surrounding terrain appears to be a mix of urban and slightly rural land.

An aerial photograph of a residential neighborhood with numerous houses featuring blue roofs. A purple banner is overlaid across the bottom left of the image, containing white Korean text. The banner's text reads: '서울광' at the top, followed by '동대문역사문화공원' (Dongdaemun History and Culture Park) in large letters, and '8' in a circle at the top right.

An aerial photograph of a city area showing a complex highway interchange and surrounding urban development. A prominent yellow square marker with a black letter 'H' is placed on the image, indicating the location of the Hotel Grand Inn Seoul.

KT 을지전화국 자리에 개축된 호텔이며, 주구대리점 극동음향

술에 기반한 최첨단 호텔을 목표로 '18.7월 개관했습니다.
